

## Volunteering Activities at Animal Farm Rescue Centre

### Animal Care & Shelter Tasks

1. Feeding animals – Under staff supervision.
2. Cleaning kennels/cages – Helps understand hygiene and responsibility.
3. Bathing and grooming – Basic brushing, washing (non-aggressive animals).
4. Walking dogs – In pairs/groups with caretaker guidance.
5. Refilling water bowls – Frequent and essential.
6. Assisting in medical routines – Handing over supplies, holding animals (non-critical tasks).

### Awareness & Creative Work

1. Making posters/banners – For adoption drives, vaccination campaigns, or anti-cruelty messages.
2. Creating social media content – Reels, photos, small videos for awareness.
3. Designing adoption cards – For each adoptable animal with their photo and story.
4. Painting shelter walls – Paws, motivational messages, animal drawings.

### Educational & Outreach Activities

1. Street Awareness Drive Support – Handing out flyers, talking to locals (with staff).
2. Writing blogs or short articles – On their experience, or success stories.
3. Organizing mini donation drives – In their college after the visit.
4. Preparing informative pamphlets – On pet care, rabies, cruelty laws.

### Enrichment & Compassion Building

1. Spending time with animals – Just being with them to offer comfort and socialization.
2. Helping in adoption meetings – Supporting during visits by potential adopters.
3. Storytelling or music sessions for animals – Calming enrichment activity.
4. Creating toys or beds – DIY toys using old clothes, ropes.

### Light Farm Support Work

1. Weeding or basic gardening – Around the premises.
2. Helping with storage/arranging supplies – Food packets, medicines, etc.
3. Helping track animal data – Updating sheets with animal detail
